

REQUIREMENTS

Educators' Neighborhood Learning Community 2020-21 will be our second cohort of educators for this project. Our pilot group of 14 educators helped launch this work during school year 2019-20.

All teachers, care givers, and other "helpers" working with children ages 3-8 may apply. We aim for a wide, inclusive use of the word "educator."

Requirements for participation:

- Work with children in the age range of 3-8 (or work with adults who do).
- Show *Mister Rogers' Neighborhood* episodes (approximately one per week) to a group of children in this age range (or adults who work with children of this age).
- Attend three in-person, full day meetings with the group (August, January, June).
- Attend 3-4 virtual call meetings with the group (after school hours).
- Have approval from a direct supervisor about your involvement with this project, including approval for 3 days of off-site meetings and weekly episode viewing.
- Document weekly episode selection and learning connections.
- Share, collaborate, and learn with other educators in ways that align with the mission of the Fred Rogers Center.

If you are interested in being part of our Learning Community, but aren't sure if you meet the requirements, please email: educators.neighborhood@stvincent.edu
